

RII10115 Certificate I in Resources and Infrastructure

Course Guide

Thank you for your interest in the **RII10115 Certificate I in Resources and Infrastructure**

This Course Guide is designed to provide you with detailed course information to support making a decision about whether this course is the most suitable and appropriate for your career goals and individual needs.

Course Description

The qualification is an introductory qualification and is designed to raise awareness of the Resources and Infrastructure Industries.

This Certificate I in Resources and Infrastructure Operations is a pathway qualification. There are no specific job outcomes, however; it will prepare an individual in successfully undertaking a Certificate II and III from the Resources and Infrastructure Industry Training Package.

This certificate allows individuals to develop basic functional skills and knowledge to prepare for work in the Resources and Infrastructure Industries. The range of technical skills and knowledge is limited.

Target Participants

Typical entrants into this course are:

- In the main, new entrants, such as:
 - ACTA Group key participant target group for this course are learners that have little to no experience in the resource and infrastructure industry. This is an entry level course and would suit school leavers.
- As well as:
 - Candidates who are working within the resource and infrastructure industry and who wish to upgrade their skills and knowledge

For the most part, learners enrolled in this qualification at ACTA Group are:

- Young adults, with an age of 15 years old and above
- May work full or part time whilst completing training
- From Culturally and Linguistically Diverse (CALD) backgrounds with English as a second language.
- Identify as First Nation people

Course Duration

The course can be delivered over a varied duration, depending on the needs of the characteristics of the learner. The standard course duration is: 6 months – 12 months.

Learners may complete the program earlier than this through RPL, CT or early completion of studies to complete their employment.

Students enrolled under this program will have a contracted training period detailing scheduled start and end dates. Under some circumstances students are able to reduce or extend the contracted training period.

Descriptions to validate a shortened training period must consider the need to allow learners to reflect on and absorb the knowledge, practice the skills in different contexts and learn to apply the skills and knowledge in the varied environments that the real world offers before being assessed as Competent.

Course Entry Requirements

Nil mandatory requirements.

ACTA Group Course Admission Requirements

Participants must:

- Be at least 15 years of age;
- Have completed Year 10 in the Australian school system or equivalent;

The elective unit options listed represent the only approved elective unit options offered that have been selected and approved for delivery by ACTA Group.

Elective units selected are relevant to the work environment and the qualification, maintain the integrity of the AQF alignment and contribute to a valid, industry-supported vocational outcome.

Delivery Modes

The course units of competency can be studied in any order, with exact program schedules negotiated with participants and documented in the Training Plan. ACTA Group personnel recommend a study pathway providing a logical program structure for participants undertaking learning and assessment tasks.

The delivery model with an ACTA Group personnel mentor facilitates the opportunity to negotiate program structures with participants, utilising ACTA Group Training Plan. This negotiated pathway allows participants to align the learning program to their individual and organisational needs.

RPL / Credit Transfer

ACTA Group's Credit Transfer and RPL Policy and Procedure outlines in detail a process to be followed for granting Recognition of Prior Learning and Credit Transfer. This is supported with RPL Resources available for all course units. Participants must apply for RPL or Credit Transfer prior to or immediately after formal enrolment but prior to the commencement of the delivery of the units. Any RPL's granted must be accepted and signed off by the participant.

Schedule and Sequencing

The course is available for open enrolment throughout the year.

Work Placement Arrangements

No work placements are applicable as target group are currently employed in the industry.
